

Rules of Gun Safety

ALWAYS Keep The Gun Unloaded Until Ready To Use

If you do not know how to open the action or inspect the chamber(s), leave the gun alone and get help from someone who does.

ALWAYS Keep Your Finger Off The Trigger Until Ready To Shoot

When holding a gun, rest your finger alongside the frame and outside the trigger guard. Until you are actually ready to fire, do not touch the trigger.

ALWAYS Keep The Gun Pointed In A Safe Direction

This is the primary rule of gun safety. Common sense dictates the safest direction, depending on different circumstances.
