YOUTH ADVOCACY & STRATEGIC RELATIONSHIPS

The Boy Scouts of America is recognized as an **advocate for youth and youth issues**. We are known by our members and America's families and communities as a resource for leadership, encouragement, and programs that benefit our country's youth. The **strategic relationships** of the BSA extend far beyond those with our traditional chartered organizations and keep Scouting relevant and adaptive.

“Let’s put the power of youth protection into the hands of our most valuable resource – our volunteers.”

Chat Room Conversation between Two Pedophiles

*AJaX WaX asked: "so how much molestation
really goes on in the scouts these days, if any?"*

*DJ responds: "these days, probably not much,
due to the Youth Protection Guidelines that
they started back in about 1989."*

AJaX-WaX: "what does that say?"

*DJ: "basically, there is no one-on-one contact
between leaders and youth members."*

Chat Room Conversation between Two Pedophiles

AJaX-WaX: "huh? you have to have a 2nd counselor or scout present?"

DJ: "and two adults are required at any activity."

DJ: "yes."

AJaX-WaX: "wow, well there goes your chance at sex before 8."

DJ: "basically, an adult can't ever be alone with a kid."

BOY SCOUTS OF AMERICA®

Prepared. For Life.®

Chat Room Conversation between Two Pedophiles

DJ: "if I give a kid a ride home from a Scout meeting, I have to have two in the car with me, and I have to let them both off at the same place."

AJaX-WaX: "so there is nearly no chance for a molester to molest?"

DJ: "right."

“Yeah, there are a LOT of us who disagree with the BSA's silly safety rules. It's gotten to the point where I look at anything the BSA puts out and judge if it is just silly appeasement of a certain faction, (like this supposed YP policy), or if there is some actual basis in fact.”

Let's stop the practice of
having Scouts sing for a lost item (Hazing)

BOY SCOUTS OF AMERICA®

Prepared. For Life.®

From Blog Post:

“Singling out a youth in front of others is inappropriate and can be damaging to that youth. This practice is actually promoting an environment of harassment and bullying. It can put the youth at greater risk of being bullied, encourage others to single out and bully others, and create a cycle of bullying (in which even those who were bullied start bullying others).”

BSA Youth Protection Committee
