# Welcome to the 15th World Scout Moot in Iceland 2017

Elves and trolls are part of the ancient heritage of the Icelandic mythology. The Icelandic trolls are human-like in form, they are still inhumanly strong, huge and ugly. They live in the mountains, caves and cliffs and are very often thought to be fearsome and cruel creatures.

# Welcome to Iceland

**Dear Scouting Friends!**

**In accordance with the decision taken at the 39th World Conference in 2011, the 15th World Scout Moot will be held in Iceland in 2017. Preparations are already well under way, with the planning and executive teams up and running, campsites decided and under development where needed, and the program mapped out.**

The theme of the 15th World Scout Moot is **Change**. The theme signifies the effect that participation in a large international Scouting event has on the participants' views and beliefs in regard to themselves and Scouting. It also signifies the impact that each individual can have on society and the Scouting Movement on the world.

Iceland is an appropriate venue for an event with **Change** as its theme, given that volcanoes, earthquakes, hot-springs and glaciers are still forming and changing the country´s landscape. That landscape and the bright summer nights of Iceland will be the playground of the Moot, with all the exciting possibilities that entails.

In 2017 the Icelandic Boy and Girl Scout Association expects to host 5.000 participants aged 18-25, as well as 1.000 International Service Team members from over 80 countries around the world. In this first Bulletin we aim to provide you with all the key information you need in order to start your preparations for attending the Moot. In the Bulletins that follow we will add to the information.

In addition, a fair amount of information is already to be found on the Moot´s website, www.worldscoutmoot.is, and more will be added as the preparations progress. On that note the website will be restructured during the summer and detailed program information will be added.

We hope to welcome many of you in Iceland in 2017. If there is anything we can do to assist with your preparations for attending the Moot, just let us know.

**Hrönn Pétursdóttir**
Head of the Organizing Committee / Camp Chief

P.S. Just in case – you should know that it is not quite as cold in Iceland as the name implies. In fact, we advise including shorts and T-shirts on the packing list ;-)

## What is this Bulletin?

**The main purpose of this Bulletin** is to provide National Scouting Organizations (NSO's) and their contingents with detailed information on the preparation of the 15th World Scout Moot, which is to take place in Iceland in 2017. The Bulletin will be distributed to all NSO's through ScoutPak.

In addition, the Moot maintains an active presence in social media as well as an active website, www.worldscoutmoot.is.

# The 15th World Scout Moot

## Dates and schedule

**The Moot will take place from Tuesday, July 25th to Wednesday, August 2nd 2017. The opening ceremony will be held in the morning of the 25th and the closing ceremony during the afternoon of the 2nd. National contingents are expected to attend both these ceremonies.**

The day of the opening ceremony will be spent in the capital city of Reykjavík. Over the course of the day , participants will be transported to different Expedition Centers around the southern coast of Iceland. The next few days will be spent participating in program activities - with each Center having a different program focus – centered on motion and adventure, community involvement, and nature and environment

On the July 29th all participants will gather at the Úlfljótsvatn Outdoor and Scout Center (www.ulfljotsvatn.is), an hour's drive from Reykjavík. At Úlfljótsvatn the program will include an international day, as well as enjoyable and active thematic sessions involving the themes of environment, culture and history, health and lifestyle, and arts and innovation.

15th World Scout Moot 2017
change
Inspired by Iceland

## Change, inspired by Iceland (the theme)

**Our aim is to inspire participants to create a better world.**

It does not matter whether you are big or small; you can make a change!

## Contingent Leaders' Meeting

**The Icelandic Boy and Girl Scout Association will organize a National Jamboree from July 17th to 24th 2016 at the Moot´s main campsite at Úlfljótsvatn Outdoor and Scout Center.**

The 2016 Jamboree may be viewed as a trial run for the 15th World Scout Moot, in order to test various infrastructural and technical aspects. The National Jamboree participants are aged between 10-22. The Moot will convene a meeting of the Moot's National Contingent leaders during and at the site of the National Jamboree, on July 22nd to 24th 2016. Further information will be provided in Bulletin #2.

*Icecave in Öræfajökull glacier.*

# Who can participate?

**Each country attending the Moot organizes and sends a national contingent, comprised of all registered participants and IST members from that country. This means that individuals or small groups of Scouts cannot register directly with the Moot organizing team, but must instead register via their National Scouting Organization. Also, only one contingent per country is permitted. Each National Scouting Organization is responsible for all members of it's contingent.**

Girl Guides and Girl Scouts who are members of an association belonging to the World Association of Girl Guides and Girl Scouts (WAGGGS) may attend the Moot with the consent of the National Scouting Organization of their respective country.

Each contingent consists of participants, International Service Team members and contingent management staff. The maximum number of participants per contingent is 500, as well as 100 IST and contingent management staff. Also, no contingent may have more IST and contingent management staff than it has participants.

## Participants

Participants should be between 18 and 25 years of age – i.e. born on or between August 2nd 1991 and July 25th 1999 - who are members of a National Scouting Organization affiliated with WOSM or a WAGGGS affiliated organization.

## International Service Team

Members of a National Scouting Organization who have attained 26 years of age, or who were born on or before August 1st 1991, are eligible to join the Moot´s International Service Team (IST). National Scouting Associations are encouraged to include as many 26-30 year olds in the IST as possible. The IST is made up of volunteers who assist in running the Moot, and is composed of local and international Scouts.

The IST will not sleep or be accommocated with the participants, but instead at a separate location on the campsite.

## Moot Planning Team

The Moot organizers welcome international Scouts as members of the Moot Planning Team (MPT). Interested parties should be experienced volunteers with skills useful to the planning and execution of the Moot. Their participation must be via their respective NSO. They must also fund their own participation in the Moot Planning Team. More information on the application process is available on the Moot website.

## Contingent Management Team

Each NSO is required to appoint a Contingent Management Team (CMT). The CMT is responsible for its respective contingent and its participants.

As the participants will be divided into small international patrols during the Moot and will be stationed at different locations around the country for the first half of the event, the CMT will have a very limited function during the Moot itself. NSO's are therefore encouraged to appoint CMT's in the same age range as the participants allowing them to join the participant patrols and take part in the program over the course of the Moot. Alternatively, CMT's 26 years of age or older are encouraged to assume IST functions during the Moot. CMT's who are neither part of a participant patrol nor of the IST will be quartered at the Úlfljótsvatn campsite for the duration of the Moot, with no alternative program on offer. The CMT will be accommodated at the IST campsite.

In view of the age range of the participants and the limited function of CMT's during the Moot, the following restrictions apply to the number of leaders in the CMT:

| No. of participants | No. of CMT |
|---|---|
| 1-99 | Up to 3, but CMT and IST together cannot exceed the number of participants in the contingent. |
| 100 – 199 | Up to 5 |
| 200 – 299 | Up to 7 |
| 300 – 399 | Up to 9 |
| 400 or more | Up to 10 |

# The patrol system

**All participants will be divided into international patrols, consisting of 10 people each. Members of a patrol participate as a unit in program activities during the Moot. The patrols will be formed during the spring of 2017 and the patrol members will be encouraged to get acquainted over the Internet prior to the Moot.**

Groups of four patrols will in turn form a tribe. The tribe will live together during the Moot, forming friendships as well as sharing the responsibilities involved in camping, food preparation, and other tasks of daily living.

Two advisors, aged 26 or older, will support and camp with each tribe. The role of the advisors is to support the participants in establishing and maintaining the patrol and tribe system and to promote the participants' personal development. The advisors function is supportive only; each patrol and tribe is responsible for its own functioning.

Each patrol and tribe will, as a rule, include participants of both genders – i.e. males and females. However, the option for gender segregated (single gender) tribes will be provided for those who so wish. A gender segregated (single gender) tribe will be provided its own camping area. However, there is no guarantee that adjacent tribes will not include members of the opposite or both genders.

IST's will also have the option of being members of small international patrols, which will live and serve together.

# Moot fee

**The Moot fee is the same for every member of your contingent** (participants, IST and contingent leaders).

| Category | Fee |
|---|---|
| A countries | 250 USD |
| B countries | 500 USD |
| C countries | 750 USD |
| D countries | 1.000 USD |

10% registration fee is non-refundable, and late registration adds 5% (if registered after 1st of January 2017).

**Included in the fee** is the Moot program, meals from lunch on the 25th of July to dinner on 2nd of August. Transport from entry and to exit point in Reykjavik, camping kit (including cooking equipment), medical care in the case of illness (excluding pre-existing conditions) or accidents, including minor surgery or treatment when necessary during the period of the 15th World Scout Moot. Medication and any cost relating to hospitalisation are NOT included in the fee. The 15th World Scout Moot participation pack, including a neckerchief and a handbook.

*Úlfljótsvatn Outdoor and Scout Centre*

# Getting to Iceland

**Iceland is well connected to major airports in Europe, the USA and Canada.**

The main airport is Keflavik International Airport about 40 minutes drive from Reykjavík. A list of airlines offering flights to Iceland may be found here: http://www.kefairport.is/English/Service/Airlines/

It is also possible to arrive by sea – with a ferry travelling regularly between Iceland and Denmark. The ferry docks in Seyðisfjörður in the east of Iceland, a nine hour drive from Reykjavík. More information is available at http://www.smyrilline.com.

# Úlfljótsvatn Outdoor and Scout Centre

**The Úlfljótsvatn Outdoor and Scout Center is located in the south of Iceland, next to the Thingvellir National Park, 70 km from Reykjavík.**

Úlfljótsvatn has been Iceland's main Scout center since 1942, when Scouts first started camping there. More information may be found on www.ulfljotsvatn.is or www.campiceland.is.

# Promotional material and other information

**The following promotional material is already available:**

- **The Moot logo and design guidelines** may be downloaded from www.worldscoutmoot.is
- **www.worldscoutmoot.is** (www.worldscoutmoot.is) is the main forum for sharing the latest information about the 15th World Scout Moot.
- **Facebook** (https://www.facebook.com/15thWorldScoutMootIceland) is for informal interaction / communication between those interested in the Moot and / or the Moot organizing team.
- **YouTube** (https://www.youtube.com/channel/UCFI6eAZM1a7OV2NeZbMD96w) has videos on the Moot, as well as general information about Iceland that may be used for promotional purposes
- **Posters** (Make New Friends and Completely Wild) will be available from the Moot internet shop for direct delivery as well as for downloading on the website.
- **Jambassadors**, functioning as national promotional representatives of the Moot, have been appointed by some NSOs. Should you wish to contact the Jambassador in your country or are interested in becoming one please send us an email at Info@worldscoutmoot.is.
- **Inspired by Iceland** (www.inspiredbyiceland.com) is a site run by the Government of Iceland with a lot of marketing material on the country.

# Key dates

**The following key dates have been established:**

| DATES | ACTION |
|---|---|
| October 2015 | Publication of Bulletin #2 |
| January 1st 2016 | NSOs submit the name of the head of contingent<br>Publication of Bulletin #3 |
| April 2016 | Publication of Bulletin #4 |
| July 2016 | Contingent leaders' meeting |
| September 2016 | Publication of Bulletin #5 |
| October 1st 2016 | Formal registration starts |
| December 31st 2016 | Formal registration closes |

# Pre-Registration

**By now NSOs should have sent in their statements of intent to participate, including the target number of participants and IST.**

This is necessary in order to enable the Moot organizing team to assess the expected number of participants and plan accordingly. If your NSO has not yet sent in the form, please do so as soon as possible.

*KIrkjufellsfoss waterfall channels the glacier melt water of the Snæfellsjökull glacier. Behind is the 463 meter high Kirkjufell mountain. From the right angle the mountain resembles a church steeple...or a Witches hat!*

# Facts about the 15th World Scout Moot

- The official languages of the Moot are English and French.
- At 18 years of age you are legally an adult in Iceland, so according to Icelandic law there will be no legal minors at the event.
- The 15th World Scout Moot is a substance-free event. This means that beer, wine, spirits, or other intoxicants will not be sold, during the Moot. Consumption or possession of such substances is also prohibited.
- Unfortunately, home hospitality will not be available before or after the 15th World Scout Moot in Iceland. However, affordable accommodation in schools can be facilitated / provided for contingents who so wish.

# Aurora Solidarity Operation

**The Aurora Solidarity Operation will be established in order to support the participation of Scouts from financially assisted National Scout Organizations.**

NSOs and their partners are encouraged to contribute to the Operation's funding.
The Operation is managed in close co-operation with the World Scout Bureau and its Regional Offices. For more information, please contact the Moot office. Contact details are provided here at left and on the Moot website.

www.worldscoutmoot.is

Reykjavik, August 2014

To: All National Scout Organizations

From: The Organizing Team of the 15th World Scout Moot

Reg: Appointment of a JAMBASSADOR for the 15th World Scout Moot

The Moot Organizing Team kindly asks you to appoint one JAMBASSADOR for the 15th World Scout Moot taking place in Iceland in 2017. We would be happy to receive information about the name and contact details of your appointed Jambassador before 30 November 2014 at the e-mail address info@worldscoutmoot.is. The way you select the Jambassador can be through advertisement, direct appointment or any other way as you see fit.

**What is a Jambassador?**
The Jambassador for the World Scout Moot in 2017 is a leader and the official representative of World Scout Moot 2017 in his/her national organization. The function of the Jambassador is to introduce and promote the World Scout Moot 2017 in his/her organization, in partnership with magazine and web editors, as well as to encourage individual Scouts to apply to attend the Moot. The Jambassador is the initial official link between the World Scout Moot 2017 Organizing Team in Iceland and the national scout organization. The Jambassador can then later become the appointed Head of Contingent for the Organization or work beside the Head of Contingent once appointed - as the National Organization chooses. The Jambassador does not necessarily have to attend the World Scout Moot in 2017, as a participant, member of the International Service Team or a member of the contingent leadership, but it would be preferable for motivational purposes.

**Who can become Jambassador to World Scout Moot 2017?**
The Jambassador should be appointed by the national organization. He/she should be a dedicated leader who has experience in international Scouting has preferably participated in an international camp abroad and is born not later than 1993. He or she should also have good connections to the participant and IST age groups of the Moot. The Jambassador should be able to communicate in English as that is the main daily working language of the World Scout Moot 2017 Organizing Team. The Jambassador must have access to the internet and have experience in communicating through it. He/she must be dedicated to this position, be willing to give it some time and be able to take the initatives to fulfill the roles as needed.

**What is in it for the Jambassador?**
The Jambassador will not receive any direct monetary payment for his voluntary work. But if attending the World Scout Moot 2017 the Jambassador will get a reduction of the camp-fee based on the number of participants coming from his/her organization. If participants are 25 (the Jambassador included) the camp-fee for the Jambassador will be none / zero. It the total number of participants are fewer the Jambassador´s camp fee will reduce proportionally - f.e. if the participants are 15 the camp-fee for the Jambassador will be 15/25 or 60 percent. The Jambassador will furthermore get a special Moot Jambassador fleece jacket as a recognition for the vital role he or she is playing. After the World Scout Moot the Jambassadors will receive a special certificate in his/her name signed by the Chief Scout of Iceland.

We hope you approve of this approach to a partnership in making the Moot a success, and look forward to receiving informtion of your Jambassador.

The World Scout Moot 2017 organizing team
