* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits or contacts recorded year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included in 2017 and beyond.

* The Units Visited column reflects the number of units that have had sufficient visits recorded in Commissioner Tools year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/ December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included after 2016.

* The Units Visited column reflects the number of units that have had sufficient visits recorded in Commissioner Tools year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/ December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included after 2016.

* The Units Visited column reflects the number of units that have had sufficient visits recorded in Commissioner Tools year-to-date. In order to show progress, a unit is counted if it has been visited at least once by January/February, two times by March/April, three times by May/June, four times by July/August, five times by September/October and six times by November/ December. For example, a unit that was not visited until March will not be counted in January or February, but will count in March, if it receives two visits that month. At the end of the year a unit needs at least six total visits to be counted. Visits are counted by the date they are entered into Commissioner Tools, not by the actual date of the contact or visit. Posts are included after 2016.
