

***Commissioner
Certificate of Commendation
Requirements & Nomination***

A. Overview

1. The Commissioner Certificate of Commendation is for use by the local council to recognize a commissioner who has performed in a commendable manner, but such performance in itself does not rise to the level expected for the Distinguished Commissioner Service Award.
2. Any registered commissioner who has earned the Arrowhead Honor and has contributed to the improvement of service to his/her unit(s) and/or within his/her district or the council is eligible to receive the Commissioner Certificate of Commendation.
3. A commissioner may receive the recognition multiple times.
4. Approval is by the administrative commissioner with the best knowledge of the nominee's work with the concurrence of the council commissioner.

B. Method of recognition:

The method of recognition shall be by a specially designed certificate. The template for the certificate will be found in the Awards and Recognition section on the Commissioners Website.
