Welcome to the San Diego-Imperial Council University of Scouting!

It is with great pleasure that we welcome you to the San Diego-Imperial Council University of Scouting! This makes number 15!

Scouting's founder Lord Baden Powell believed that all leaders should be and need to be trained. This tradition is carried forward today as well. The growth and success of the BSA movement is a direct result of that tradition and belief. We hope you will *Continue the Journey to Excellence!*

The University of Scouting courses are designed to help YOU improve your skills and increase your knowledge in your area of Scouting. We have organized a single day packed with a year's worth of fun, program ideas, and information. Of course, we could not do this without the exceptional dedication and support of many volunteers. From Instructors to the Deans and Administrative Staff, I thank you for your efforts to make this a spectacular event!

We are pleased to host our event at Point Loma Nazarene University and we are very fortunate to have access to this exceptional facility. The administrative staff at the University has been most gracious in their assistance.

This document has all the information you need to plan your day and to be prepared. Please take a few minutes to review courses listed in all the Colleges. Learn how to read the schedules and understand how you can pre-plan your classes so when it comes time to register you will have all the information you need.

A friendly reminder to everyone: You **MUST** register on or before August 1. We cannot accept any Walk-ins.

On arrival, check in at the registration table located at Salomon Theatre. Refer to the section below on *Location, Facilities and Parking* on page 4. Participant check-in begins at 8:00 am. Please don't wait until the last minute to check-in, as there may be lines.

On behalf of the youth in our council - a sincere **THANK YOU** for joining us! By your registration you have indicated your dedication to the principle that every Scout deserves a Trained Leader. Should you have questions please feel free to contact me by sending email to doris.mccarthy@sdsu.edu.

Location, Facilities and Parking

Location: Point Loma Nazarene University (PLNU), 3900 Lomaland Drive, San Diego, CA 92106.

Driving Directions: Go West on I-8 (toward beaches), turn left onto Nimitz Blvd, turn right onto Chatsworth Blvd, turn left onto Catalina Blvd. Turn right onto Lomaland Drive and continue through the security gate to PLNU.

On campus: At the first stop sign, take left turn toward the Main Campus. At the next stop sign, turn left toward the Parking Structure. At Ryan Learning Center, turn left into the parking garage. After parking, follow the signs leading to check-in.

Accessibility Classes are located in several buildings, including Bond, Evans, Ryan and Taylor. Each classroom is easily accessible to another within the 15 minutes allotted between classes, but be prepared to travel between buildings as your day progresses. We have done our best to minimize travel times but do understand part of the “fellowship” of the University of Scouting is meeting others during classroom changes! Detailed maps, driving directions and diagrams of the campus may be found on the PLNU website at the following address: www.pointloma.edu.

Check-in and Materials Pickup Location

All participants and staff need to check in on arrival, just follow the signs to the check-in table at Salomon Theatre. You will be given a materials packet that contains an evaluation form, lunch ticket, and other items. Bring your own class schedule. Please keep all of your materials with you throughout the day.

Lunch

A wonderful buffet lunch will be served in Nicholson Commons and it is included in your fee. Please do not lose your lunch ticket, as you will need it to obtain lunch in the Commons. The cafeteria typically provides a wide variety of foods.

Course Evaluation

Please turn in your University of Scouting evaluation to your last instructor of the day. We strive for excellence and your constructive feedback will ensure we do better next year!

What to Wear

The field uniform is appropriate (also known as Class “A”) or business casual for all those not in uniform. August is typically a warm weather month but we will be close to the ocean and it may also be cool or windy, so follow the Scout motto.

Your Mission, should you decide to take it:

Thank you for your dedication to effective Scouting. Your participation in this training event illustrates that you care about the quality of the Scouting program. The ability of scouting to make a difference for our youth depends on volunteers like you who are well informed with the latest information. Please enjoy your visit with us today. Absorb all that you can, and then relay what you have learned back to your units, districts/zones, and councils. This is your primary responsibility as a University of Scouting participant.

As a University of Scouting participant, we have the following requests to ask of you.

Help get the word out

Did you know that it takes almost the same time for the staff to prepare this event whether we draw 100 or 1000 participants? Or that it takes our instructors the same time to prepare whether 1 or 125 participants register for the class? Therefore, the effectiveness of this event to have a positive impact on Scouting is directly proportional to the number of seats filled in the classrooms. YOU are our best channel for promotion. We anticipate your experience with us today will be positive and rewarding. Please share that with your Scouting colleagues and encourage them to come with you.

Share what you know

What's the difference between a faculty or staff member and a class participant? NOTHING! We are all Scouting volunteers. All staff members have "real" Scouting jobs just like you. Okay, maybe there IS one difference – the faculty or staff member stepped up to share their Scouting experiences or other talents to help the rest of us be more successful. YOU could be a part of this team. There are always positions open for instructors, registration, facilities, administration, and on and on. Want to be part of this highly motivated, highly effective team? Contact the President for more information on potential opportunities. We're sure we can find a good fit for you on our staff. Or maybe you have a great idea for a course you'd love to develop and present. Whatever your talent is, we can probably put it to good use here at the University. Our program and participants will benefit, but so will your leadership and communication skills.

Can I Earn a Degree?

With the exception of Commissioners, there is no BSA National curriculum or standard that supports an "official" degree in the University; however, all participants will receive a SDIC "Degree in Scouting" that is awarded based solely on attendance. **To receive credit towards a Commissioner Science degree, participants must send proof of attendance to the Assistant Council Commissioner for Training.**

BECAUSE OF MY CHILD

*Because of my child - I found a job to do,
I became a Scouter, tried and true.
I understand youth better - because of my child.
It happened through Scouting - Gee, how wild!*

*Because of my child - I can be worthwhile.
Oh what a reward, to see a youth smile!
'Tis endless, the pleasures gained from Scouting.
Because of my child - I attend each meeting and outing!*

*Because of my child – I've gained friends beyond measure.
'Tis indeed blessed to hold, such a wonderful treasure!
Hours that were idle, are now filled to the brim.*

Because of my child – I enjoy life with them!

*Because of my child – I've a new way of life.
I recommend Scouting for each husband and wife!
Don't spend your spare time, doing nothing at all.
Because of YOUR child – heed the Scouting call!*
