

Cubmaster Minute

Title: Citizenship

"Cub Scouts, we celebrated a big achievement. You've earned your Citizenship Adventure, and that's something to be proud of. This achievement is more than just a belt loop or pin to wear; it's a reminder of the kind of person you can be every day.

Being a good citizen means making your community better, one small action at a time. Remember, citizenship doesn't stop when you leave this meeting. Every day is a chance to be loyal, helpful, obedient, and cheerful to the people around you. Do your best, Pack/Den (###), because our world is a better place with you in it."
