Title: Helpful

Today, I want to talk about being Helpful. It is the third point of the Scout Law. A Scout is helpful.

Being helpful means looking around and seeing what you can do to make things easier for someone else.

Think about when your parent asks you to clean up your stuff. If you do it without being asked, you're being helpful! Or when your friend needs help tying their shoes, you can step in and help them. Even small things, like picking up a piece of trash or helping a friend who is sad, can make a big difference!
