

Skit
Name of Skit: Bear Scat

Two scouts walk across the stage and stop abruptly.

Scout 1: Stop! What is that? (*points at floor*) Is that bear scat?

Scout 2: I don't know. Does it look like bear scat?

Scout 1: (*gets on ground and examines it closely*) Yep, it sure does look like bear scat!

Scout 2: Does it smell like bear scat?

Scout 1: (*sniffs and makes a disgusted face*) Ugh! It definitely does smell like bear scat!

Scout 2: Does it taste like bear scat?

Scout 1: (*with a look of horror on his or her face, licks at the area, shudders*) Yuck! It definitely DOES taste like bear scat. (*Shudders again*)

Scout 1: Well, it looks like bear scat, smells like bear scat and tastes like bear scat. It must be bear scat!

Scout 1 and 2 together: (*takes large sideways step around the area*) It sure is a good thing we didn't step in it!
