

## Skit

### **Name of Skit:** Working In The Dark

**Lightbulb** stands on stage, motionless. **Workers** stand nearby, pantomiming working.

**Supervisor** enters, addresses **Lightbulb**: Hey, what are you doing? I don't pay you to stand around and do nothing!

**Lightbulb**: I'm the lightbulb!

**Supervisor**: You know what, I'm tired of your shenanigans. You're fired!

**Lightbulb**, dejected, walks away.

**Workers** stop working and begin to exit.

**Supervisor**: Hey, what are you guys doing?

**Workers**: We can't work in the dark!
