

Local Council Audit Self-Review Form

The Local Council Audit Self-Review Form is a tool designed to help councils understand and evaluate the audit and BSA standards prior to the submission of the audit and required accompanying documents. It is meant to be completed only after a thorough review of the *Local Council Guide to the 2018 Audit*. Please submit prior to July 31, 2019 to audits.990@scouting.org

1. Make sure the audit adjustments proposed by the auditors and accepted by the audit committee have been recorded in PeopleSoft and posted to the general ledger.
2. Obtain a draft copy of the 2018 audited financial statements.
3. Generate the following PeopleSoft financial reports for the period ending December 31, 2018:
 - Statement of Financial Position—Audit (FINPOS_S)
 - Statement of Activities and Changes in Net Assets—Audit (ACNA_AUD)
 - Statement of Functional Expenses—print both Excel sheets (FUNCTEXP)
 - Statement of Cash Flows (SOCF)
4. Compare the financial reports to the audited financial statements, ensuring that net assets match by fund, by restriction, and in total.
5. Complete the Local Council Audit Self-Review Form on the following pages.
6. Check the boxes on the Local Council Audit Self-Review Form if the standards are met.
7. If the draft audited financial statements do not meet BSA audit standards, this is the time to go back to your auditors and work together to correct the deficiencies.
8. If corrections are made, obtain another draft copy of the audit financials and repeat steps 1 through 7.
