Comer Scout Reservation.

Our Scouts saw traffic on JOTI from over 80 countries, including:

China

Aruba

Netherlands

Bolivia

Philippines

Portugal

South Africa

Turkey

Kuwait

England

France

Sweden

Malta

Argentina

Norway

Cypress

Wales

Puerto Rico

Denmark

Morocco

Greenland

Columbia

Afghanistan

Luxemburg

Trinidad and Tobago

Paraguay

JOTA contacts were much more limited. We did contact DP9S (Germany  
BS HQ)  
on 14.297.

Our "audience" was Cub Scouts at Camp Comer for the annual Cub

Haunted

Weekend, and they were much more interested in the JOTI than the JOTA. Next

year we need to focus on shifting our demographics to older scouts.
