Please add your story, funny incidents, discoveries, etc. in this space.

- 1) Our Scoutmaster made contact with K6NPO and discovered they were both graduates of the same High School in southern California.
- 2) Our station operator made contact with NP2X, his first contact in the U.S. Virgin Islands.
- 3) Our Scouts were so excited to have participated in JOTA for their first time, that's all they wanted to talk about in Sunday school class at church the following day!
