When the one Cub Scout was asked what Pack he was with, his response was. "I don't know. I just joined last week."

The girl who spoke to S52DD asked where Slovenia was. When told "At the Northeast corner of the Adriatic Sea" she then asked "Where's that?" When told it lies between Italy and Greece, she again asked "where's that?" She was able to accept that it's off of the Mediterranean Sea, between Southern Europe and Northern Africa.

The Scoutmaster at KB0WOM wanted to come visit our sunny mid-70's location. His Troop was camping in a forest South of Duluth and it had gotten down to 34 degrees Friday night
