Please add your story, funny incidents, discoveries, etc..

We had a Native Hawaiian scout in a QSO with Hawaii and the subject of favorite foods of Hawaii came up...the Loco Moco great meal consisting of rice, gravy, hamburger and eggs. Not to be topped with the all time favorite of SPAM and its various ways of serving it. Hawaii is probably one of the highest SPAM consuming population of the USA. Really got everyone in on the QSO remembering as youth eating it etc...
