Learning for Life authorizes local councils to accomplish its purposes and carry out its programs by granting a local council an Intellectual Property License (the "License"). The license is issued for a period of one year (October 1, 2012 - September 30, 2013) and may be renewed annually upon application by the local council. Renewal of the license is based on annual reports that show satisfactory efforts to meet the responsibilities of a local council. Learning for Life may revoke or decline to renew a local council's license for failure to comply with the policies of Learning for Life or in any instances where it deems such action advisable in the interests of Learning for Life. **Revenue share** will only be disbursed to councils who have an Intellectual Property License. Councils not renewing the Intellectual Property License acknowledge and agree that the Learning for Life National Office shall provide direct service of the program within council boundaries to all schools and organizations. **The Intellectual Property License does not include Exploring.**

The  Council hereby applies for reauthorization. This application has been reviewed and approved by the executive committee or executive board.
