RE: Letter of Support

To Whom It May Concern;

I wanted to express my appreciation to the Boys Scouts of America for your many years of developing a positive influence in the youth of America.

As a Life Scout, I learned many leadership traits from my scouting experience. I attribute my love of the outdoors, camping, hiking and appreciation for nature to my positive scouting experience.

These skills, along with my church, military training/schools, colleges, Royal Rangers, full-time ministry and personal skills have all contributed and prepared me for this position I'm currently serving in as "National Commander – Director of Royal Rangers".

Royal Rangers and Boy Scouts have had many years of recognition and support of each other. Early Royal Rangers manuals have given thanks and appreciation to BSA for allowing the use of Boys Scouts materials.

We are equally excited about the future of Royal Rangers. With our updated program being released in 2002, the future of Royal Rangers in the USA and over seventy counties around the world – is great!

Again, thank you for our continued friendship and joint support of each program.

Sincerely "Honored to Serve",

Rev. Richard A. Mariott
National Commander
