

FLAGS

This section contains information about unit and special flags. For U.S. flag interpretation, consult *Your Flag*, No. 33188, Boy Scouts of America. U.S. flag protocol states that the direction of our uniform flag is proper.

The hand-to-forehead salute is correct for flag ceremonies for any person wearing a uniform of the BSA. This includes those wearing the dress uniform. The hand-over-heart salute should be used when not in uniform.

Special Flag Decorations

Memorial gold stars. Gold stars, No. 11117, may be affixed to the unit flag indicating current and former members of the unit who died in the service of their country. The stars should be placed along the staff edge of the flag, parallel to the staff, with the first star 6 inches from the staff edge and 6 inches from the bottom edge; subsequent stars to be placed in vertical rows along the staff edge of the flag.

Veteran insignia. Veteran insignia may be ordered as part of a unit flag. The insignia is digitally printed as part of the flag. It is no longer available as a separate item and must be requested when the unit flag is ordered.

Fringes, cords, and tassels. Fringes, Nos. 11035 and 11036, and cords and tassels, No. 11037, may be used on local council, district, and unit flags (but not den or patrol flags) if desired by the persons or committee purchasing them.
