RELIGIOUS EMBLEMS

To encourage members to grow stronger in their faith, religious groups have developed the following religious emblems programs. The BSA has sanctioned these programs and allows the emblems to be worn on the official uniform.

The medal is worn pinned immediately above the seam of the left shirt pocket of the uniform. The square knot, silver on purple, No. 5007, may be worn above the left pocket by a youth member or an adult member who earned the knot as a youth.

Any combination of miniature devices may be worn on the same Youth Religious Award knot: Cub Scout, No. 604950; Webelos Scout, No. 932; Scout, No. 927; Venturer, No. 930; Sea Scout, No. 931.

The square knot, purple on silver, No. 5014, may be worn above the left pocket by adult members presented with the recognition. When a square knot is worn, the medal is not worn.

Religious emblems are not considered Scouting awards. Instead they are earned by members and then presented to them by their religious leaders. Each faith has its own requirements for earning their respective emblems. A list of the emblems and more information about the programs can be found at www.scouting.org/awards/religious-awards/.

Consult with leaders of your respective faith, contact BSA Member Care at 972-580-2489, or email myscouting@scouting.org for additional details on the awards and the process for your faith.

Religious Emblems Coordinator Position

It is recommended that units designate parents or other volunteers to serve as religious emblems coordinators. They can promote the awards and guide the process. It is also recommended that district and council advancement committees appoint at least one person for this position. For detailed information about the district- and council-level religious emblem coordinator positions and mission, visit www.scouting.org/awards/religious-awards/coordinator/.

National Duty to God Award

The National Duty to God Award is awarded annually to one or more adult members of the BSA, selected by the Religious Relationships Committee for demonstrated exemplary faith-based service and steadfast commitment to promoting religious duty in Scouting.

FLAGS

This section contains information about unit and special flags. For U.S. flag interpretation, consult Your Flag, No. 33188, Boy Scouts of America. U.S. flag protocol states that the direction of our uniform flag is proper.

The hand-to-forehead salute is correct for flag ceremonies for any person wearing a uniform of the BSA. This includes those wearing the dress uniform. The hand-over-heart salute should be used when not in uniform.

Special Flag Decorations

**Memorial gold stars.** Gold stars, No. 11117, may be affixed to the unit flag indicating current and former members of the unit who died in the service of their country. The stars should be placed along the staff edge of the flag, parallel to the staff, with the first star 6 inches from the staff edge and 6 inches from the bottom edge; subsequent stars to be placed in vertical rows along the staff edge of the flag.

**Veteran insignia.** Veteran insignia may be ordered as part of a unit flag. The insignia is digitally printed as part of the flag. It is no longer available as a separate item and must be requested when the unit flag is ordered.

**Fringes, cords, and tassels.** Fringes, Nos. 11035 and 11036, and cords and tassels, No. 11037, may be used on local council, district, and unit flags (but not den or patrol flags) if desired by the persons or committee purchasing them.

Special Flags

**Drum and bugle corps.** Local councils having a drum and bugle corps made up of youth from different units may put the lettering “Drum and Bugle Corps” in a line at the bottom of their council flag. A unit drum and bugle corps may carry its unit flag but without special designation.

**Boy Scouts of America flag.** Purple flag with silver emblem.

**Regional flag.** Purple flag with silver emblem and lettering. Name of state may be added if desired.

**Local council flag.** Dark blue flag with gold emblem and lettering, No. 618649. Name of council on the upper half, headquarters city and state on the lower half.
