BSA LIFEGUARD TRAINING PROCEDURE

1. Only those persons currently trained as *BSA Aquatics Instructor* or as *BSA Lifeguard Instructor* may train the completion of BSA Lifeguard requirements.
2. Training as BSA Lifeguard is valid for two years from the date of completion.
3. All requirements must be met. (See completion options.)
4. The completed application is forwarded to the local council service center, where the individual's training record is annotated.
5. To qualify for BSA Lifeguard, the candidate must complete the BSA Lifeguard course under the direction of either a BSA Lifeguard Instructor or a BSA Aquatics Instructor. The course for the BSA Lifeguard is in the *BSA Lifeguard Instructor Manual*.

INSTRUCTOR'S RESPONSIBILITY

Scouts, Venturers, or adults who become trained BSA Lifeguards must be well-qualified and able to use their knowledge as a lifeguard in case of need without undue danger to themselves and with a reasonable chance of success. The instructors are responsible for the strict interpretation of requirements and the elimination of applicants who in their judgment are not qualified by strength, judgment, or ability to put their knowledge into practice as lifeguards.

The reputation of the instructors as experts depends to a great extent on the actual performance of those they qualify. Therefore, they should be certain the candidate's ability is, without doubt, of the highest caliber. It is expected that the BSA Lifeguard emblem and card will always stand for a very high standard of skill. The instructors to whom this responsibility is entrusted are expected to maintain that standard. For interpretation of requirements, see the *BSA Lifeguard Instructor Manual*.

BSA LIFEGUARD REQUIREMENTS

To be trained as a BSA Lifeguard, you must successfully complete the course as outlined in the BSA Lifeguard Instructor Manual and demonstrate the ability to perform each item specified in the following requirements:

Completion Options

Course completion cards are valid only when signed by either a current BSA Aquatics Instructor or BSA Lifeguard Instructor approved by the local council. Training is valid for two years, provided First Aid and CPR/AED for the Professional Rescuer training are kept current during that period.

There are five ways to obtain a course completion card:

- 1. Course Completion**—Complete all requirements in the instructor manual during a scheduled course of instruction. The participant must attend all course sessions. Makeup sessions are allowed at the instructor's discretion. If an individual is unable to complete all requirements during the scheduled course, the instructor may elect to continue training until the participant is able to complete all the requirements provided the total elapsed time from start to finish does not exceed the 120-day period.
- 2. Renewal Challenge**—Anyone with a BSA Lifeguard completion card that is current or has expired within six months may renew or extend the training by performing requirements 2 through 25 without attending the standard course sessions. Prior to the testing, the instructor may provide a renewal training session to review and update skills and information. Summer camp aquatics directors should renew training for aquatics staff members during precamp training while emphasizing local camp facilities, procedures, and emergency action plans.
- 3. Crossover Challenge**—Anyone who holds current training in American Red Cross Lifeguarding, American Red Cross Waterfront Lifeguarding, or other lifeguard training programs may obtain a BSA Lifeguard completion card by performing requirements 1 through 26 without attending the standard course sessions. The lifeguard training program that issued the training certificate must be recognized by the local or state regulatory agency that sets standards for lifeguards at youth camps. The instructor may provide a crossover training session to review and update skills and information prior to the testing. The applicant may receive credit for requirement 26 if within the past 18 months he or she has served as a lifeguard, under supervision, or has supervised lifeguards, for at least two separate BSA swimming activities for a combined time of two hours. Otherwise, due to BSA procedures not implemented at other lifeguarding venues, the applicant must accomplish requirement 26.
- 4. Completion of BSA Aquatics Instructor**—Anyone who completes BSA Aquatics Instructor training at National Camping School may obtain a BSA Lifeguard completion card.
- 5. Co-Instructors** (BSA Aquatics Instructor or BSA Lifeguard Instructor) may each sign a completion card for the other at the conclusion of a BSA Lifeguard course if they satisfy requirements 2 through 24.
