

Southeast Louisiana Council

Shoot, Swim and Climb

The Council COPC Committee is proud to introduce a new event designed for all youth registered in Boy Scout Troops and Venturing Crews. This is an opportunity to get out and have some fun at Camp V-Bar. You will arrive on Friday evening for our Range Safety Briefing and spend the entire day Saturday shooting, climbing and swimming. Units will cook their own meals with the exception of lunch on Saturday which we will provide in the air conditioned dining hall. The cost is \$20.00 and will include lunch and a patch and all the fun you can handle.

For Information contact Louis Morrell III

louismorrell@comcast.net

Highlights:

Shotgun with 3 throwing stations

Archery

Rifle with moving targets
