

PHILMONT EXPEDITION UNIT REGISTRATION FOR 2020

REMINDERS:

- **Your unit representative may enter the system anytime from October 30 thru December 2.**
- **Any unit can enter the registration system in consecutive years.**

Unit reservation entry requests for **2020** Expeditions (12-day, 7-day, Cavalcade) for Philmont Scout Ranch will be made online beginning Tuesday, October 30 thru Sunday, December 2, 2018. **Please read this information completely** for instructions on the process, fees, and attendance requirements for Philmont. The following information is provided to assist your unit in placing a reservation request:

1. From Tuesday, October 30 at 9 a.m. MDT thru Sunday, December 2, 2018 at 11:59 p.m. MST, reservation requests will be accepted online for 12-day, 7-day and Cavalcade Expeditions. This is **strictly** a random draw and an entry made on October 30, 2018 will be treated equally as an entry made on December 2, 2018.
2. Reservations **will not** be assigned in the order that requests are made. **Reservations will be picked randomly by computer after December 2.**
3. Units may enter only one reservation request during this process. However, the request may be made for consideration of multiple arrival dates, the minimum being 5 priority dates. **Please do not attempt to make duplicate reservation requests.**
4. A unit representative may place a reservation request for members of their chartered unit only, but are not limited to one crew (crew size = 8- 12 participants), however, please be realistic when estimating attendance to avoid unnecessary expense (forfeited fees) and to permit the maximum number of units to obtain a reservation. Please refer to the formula on the worksheet to determine the number of crews you are requesting.
5. A worksheet is provided in order to assist you in collecting the information required to place your online reservation entry. Please complete the worksheet and have it available when you access the website. **DO NOT SEND THE WORKSHEET TO PHILMONT.**
6. Unit representatives may log on to <https://registerphilmont.org/entry/2020> beginning Tuesday, October 30. The system will require the unit representative to **create a password** to allow changes or corrections to the unit reservation entry anytime during the reservation request window. Please save this password. The representative will receive a confirmation email at the conclusion of the request process. Only one record is kept on file for each unit.
7. Once the unit reservation request window closes, the system will randomly select units to receive reservations. When 2020 reaches capacity, groups will continue to be drawn and placed on a **Wait List** for the same year (2020) to fill cancellations.
8. Units with a confirmed 2019 reservation for Philmont **will be allowed to place a request for 2020.** Units **are allowed** to attend in consecutive seasons. Reservations may not be transferred from one unit to another. Philmont will maintain the **Wait List** and email the next available group on this list when one of their priority dates becomes available due to a cancellation.
10. After the computer selection process is completed in early December 2018, an email will be sent to each representative giving them their unit's status. **You should receive this email no later than December 7, 2018.**
11. Units that are successful in obtaining a reservation will receive a confirmation email in December with a letter and link to obtain the 2020 Invoice. A **\$100 non-refundable deposit**, per participant is due **January 30, 2019.**
12. Questions about the 2020 registration process may be directed to Philmont Scout Ranch by email to camping@philmontscoutranch.org or by phone: 575-376-2281.

PHILMONT ADVENTURES 2020 INFORMATION UPDATE

THE PHILMONT TREK EXPERIENCE

Philmont Scout Ranch offers a unique experience that is not risk-free. Knowledgeable staff will instruct all participants in safety measures to be followed. Be prepared to listen to and carefully follow these safety measures and to accept responsibility for the health and safety of yourself and others.

Each participant must be able to carry a 35 to 50-pound pack while hiking 5 to 12 miles per day in an isolated mountain wilderness ranging from 6,500 to 12,500 feet in elevation. Summer/autumn climatic conditions include temperatures from 30 to 90 degrees, low humidity (10 to 30 percent), and frequent, sometimes severe, afternoon thunderstorms. Activities include horseback riding, rock climbing and rappelling, challenge events, pole climbing, black powder shooting, 12-gauge trap shooting, .30-06 shooting, trail building, mountain biking, and other activities that have potential for injury.

Philmont requires that all participants meet the height/weight limits found on the last page of this document.

FEE PAYMENTS

The Philmont fee is charged for every participant, including adult advisors. A deposit of \$100.00 per participant is required to hold your reservation (8 is the minimum crew size) and is due approximately 30-45 days of receiving a confirmation email. Each group must pay half of the balance of fees (advance) by October 1, with the final payment (balance) due March 1.

ALL FEE PAYMENTS (deposit, advance, balance) ARE NON-REFUNDABLE AND NON-TRANSFERABLE TO THE BALANCE OF YOUR ACCOUNT. Philmont must commit financial resources to employ staff, purchase food and supplies and prepare for summer operations. Participants are, therefore, required to make a financial commitment to attend.

Applicants must be at least 18 years of age by time of employment, and previous Philmont or other high adventure experience is helpful. Visit PhilmontScoutRanch.org/jobs to apply.

HIGH ADVENTURE RISK ADVISORY

Philmont Scout Ranch Experience. The Philmont experience is not risk-free. Staff will instruct participants in safety measures. Be prepared to listen to and follow these measures. Accept responsibility for the health and safety of yourself and others. Each participant must be able to carry 25 to 35 percent of their body weight while hiking 5 to 12 miles per day in an isolated mountain wilderness ranging from 6,500 to 12,500 feet in elevation over trails that are steep and rocky. Summer/ autumn climate includes temperatures from 30 to 100 degrees, low humidity (10 to 30 percent), and frequent, sometimes severe, thunderstorms. Winter climatic conditions can range from -20 to 60 degrees. During a Winter Adventure experience, each person will walk, ski, or snowshoe along snow-covered trails pulling loaded toboggans or sleds for up to 3 miles—or even more on a cross-country ski trek.

Risk Advisory. Philmont has an excellent health and safety record and strives to minimize risks to participants by emphasizing appropriate safety precautions. Because most participants are prepared, are conscious of risks, and take safety precautions, they do not experience injuries. If you decide to attend Philmont, you should be physically fit, have proper clothing and equipment, be willing to follow instructions, work as a team with your crew, and take responsibility for your own health and safety.

Philmont staff members are trained in first aid, CPR, and accident prevention. They can assist the adult advisor in recognizing, reacting to, and responding to accidents, injuries, and illnesses. **Each crew is required to have at least two members trained in wilderness first aid and CPR.** Response times can be affected by location, terrain, weather, or other emergencies and could be delayed for hours or even days in a wilderness setting.

All Philmont participants should understand potential health risks inherent at or above 6,700 feet in elevation in a dry Southwest environment. High elevation; a physically demanding high- adventure program in remote mountainous areas; camping while being exposed to occasional severe weather conditions such as lightning, hail, flash floods, and heat; and other potential problems, including injuries from tripping and falling, falls from horses, heat exhaustion, and motor vehicle accidents, can worsen underlying medical conditions. Native wild animals such as bears, rattlesnakes, and mountain lions usually present little danger if proper precautions are taken.

Please call Philmont at 575-376-2281 if you have any questions. All participants and guests should review all materials and websites related to the experiences they are planning to have at Philmont Scout Ranch.

PHILMONT WEIGHT LIMITS FOR BACKPACKING AND HIKING

Weight limit guidelines are used because overweight individuals are at a greater risk for heart disease, high blood pressure, stroke, altitude illness, sleep problems, and injury. These guidelines are for all Scouting high-adventure activities. Each participant’s weight must be less than the maximum acceptable limit in the weight chart. Participants 21 years and older who exceed the maximum acceptable weight limit for their height at the Philmont medical recheck WILL NOT be permitted to backpack or hike at Philmont. They will be sent home.

For participants under 21 years of age who exceed the maximum acceptable weight for height, the Philmont staff will use their judgment to determine if the youth can participate. Philmont will consider up to 20 pounds over the maximum acceptable; however, exceptions are not made automatically and discussion with Philmont in advance is required for any exception. Philmont’s telephone number is 575-376-2281. Due to rescue equipment restrictions and evacuation efforts from remote sites, under no circumstances will any individual weighing more than 295 pounds be permitted to participate in backcountry programs.

Philmont Approval. Staff and/or staff physicians reserve the right to deny the participation of any individual on the basis of a physical examination and/or medical history. Each participant is subject to a medical recheck at Philmont.

Height/Weight Restrictions. If you exceed the maximum weight for height as explained in the following chart and your planned high-adventure activity will take you more than 30 minutes away from an emergency vehicle/accessible roadway, you may not be allowed to participate.

Maximum Weight for Height:

Height(inches)	Max Weight	Height(inches)	Max Weight	Height(inches)	Max Weight	Height(inches)	Max Weight
