

National Youth Leadership Training Recognitions & Guidelines

Central Region NYLT Committee

The Central Region NYLT Committee is comprised of volunteer representation from each Area, a volunteer Regional Coordinator and Regional Staff Advisor. This group serves as a partner to local councils in order to ensure an NYLT experience for as many Scouts as possible which is consistent, excellent and always improving. At a minimum, Area Coordinators work to provide the following resources to the volunteer and professional NYLT leadership within each council:

- Information about the other NYLT programs operating in the Central Region
- Facilitate the awarding of the recognitions detailed below
- Solicit input, and facilitate a meaningful annual NYLT summit for council NYLT leadership

The Central Region NYLT Committee is dedicated and equipped to not only serve in the above capacity, but to support local councils with any unique issues or circumstances.

Recognitions

In order to assist your council in conducting a NYLT course, the National NYLT and Wood Badge Committees have defined the following requirements for awarding Wood Badge Beads to adult NYLT staff members. The National NYLT and Wood Badge Committees are comprised of BSA volunteers and professionals from every Region and their associated Areas.

3 Beads for NYLT ASM

- Completed 21st Century Wood Badge and earned their Beads.
- Attended Trainer's Edge two years or less before staffing NYLT.
- Staffed an NYLT or NAYLE Course as an Assistant Scoutmaster who provides training and oversight of youth staff. No other adult positions qualify. *(Note: The QM position may be classified as an ASM if they provide content instruction and/or oversight for the youth staff)*

4 Beads for NYLT SM

- Staffed 21st Century Wood Badge as a Troop Guide.
- Completed NYLT Area/Regional Scoutmaster Conference within one year prior to NYLT or NAYLE service as Scoutmaster and signed Scoutmaster's Pledge.
- Attended Trainer's EDGE two years or less before staffing NYLT.
- Served as a Scoutmaster for NYLT or NAYLE.

Guidelines

Following these national guidelines will increase the quality of the program available to the Scouts, and is necessary in order to recognize volunteers with Wood Badge Beads.

1. Participation in the annual Region/Area NYLT Conferences is encouraged for professional staff advisors, and required for volunteers in order to be recognized with Wood Badge Beads.
2. Local traditional names will be phased out effective for 2009 courses in favor of the consistent name NYLT. Joint names (i.e.: Brownsea NYLT) are no longer to be used.
3. The NYLT syllabus must be adhered to in its entirety.
4. As a part of staff development, all youth and adult NYLT staff complete the Trainer's Edge.
5. NYLT courses will have between 30 and 48 participants. Courses with larger or smaller participant populations should be discussed with the Area or Region NYLT Coordinator.
6. Data describing NYLT course plans, actual results, and volunteer/professional leadership is collected by the Region and consolidated for viewing by all Central Region councils.

National Youth Leadership Training Recognition Request

From (Council): _____ Council Number: _____

Headquarter City: _____ Area: _____

To: Regional Director – **Central Region, BSA**

Person to be recognized:

Name _____ Address _____
