Parent Renewal of a Youth

Parent must be linked to youth as their parent/guardian.

Log in to the parent my.Scouting account.

In the top right there will be a red "alert" symbol. When you hover over it, a message appears to renew registrations that are expiring soon. Click on that message.

my.Scouting	Welcome, Yanlan Zeng	. ~
	You have some registrations expiring soon, click here to renew	

All youth linked to the parent that have registrations expiring within the next 60 days will be listed, as well as any eligible registrations for the parent.

If the youth is not planning to continue on their Scouting journey, select "opt out of Auto Renewal." This will stop any renewal reminder emails from going to the parent/guardian.

Select "Start Renewal" to proceed with the renewal. Renewals will be completed one at a time if there are multiple youth to renew.

The BSA local and national council provide training, program, outdoor facilities, literature, professional guidance, and
liability insurance protection.
Parent/Legal Guardian Role in Scouting Scouting uses a fun program to promote character development, citizenship training, leadership, and mental and physical fitness. You can help by encouraging attendance, assisting with your child's advancement, attending meetings for parents, and assisting the unit when called upon to help. The unit cannot provide a quality program without your help.
