Re: Update on unit and membership renewal

On August 1 of 2023, unit renewal and membership renewal were separated. The process we called "recharter" no longer exists. Renewal of membership is distinct from unit renewal of its charter.

Membership Renewal

The membership period for all Scouting America members is now 12 months - a cycle that begins and ends on each member's anniversary date.

- For members who joined on or after August 1, 2023, their anniversary date will be 12 months from the month they joined.
- For members who joined prior to August 1, 2023, their renewal date will be on the anniversary of their current primary registration. All multiple-position registrations will renew along with the primary registration.

For units, the Key 3 will determine how membership renewal fees are paid using Organization Manager. Units need to determine whether they will allow auto-approval (if the council permits it). When a renewal is auto-approved, it means that adults may renew without requiring the Chartered Organization Representative (COR) to approve that renewal. The renewal process is streamlined.

A unit can have members pay their annual fees directly, or the unit may coordinate payments for its members. Two variations exist:

- In Family/Self Pay, members or their parents/guardians will receive an email with a link 60 days prior to expiration reminding them to renew. Payment is made by the member (or a parent/guardian) without going through the unit.
- Unit Pay is an option for units that prefer to coordinate or make payments for its members. Units will need to renew members throughout the year when their renewals are due.

Unit Renewal

Units will renew their charter on or before their unit anniversary date. These are the steps:

- A Key 3 member or designee will validate information within Organization Manager.
- Changes to leadership (if needed) are made within Position Manager.
- Leaders take YPT if needed.
- E-sign the page, then pay and submit.

IS YOUR UNIT READY FOR MEMBER & UNIT RENEWALS?

Member Renewal and Unit Renewal are now separate processes. They are more straightforward, but units must make some decisions. Is your unit ready?

Separate Processes

- Member Renewal and Unit Renewal are now separate processes.
- Members now renew annually based on when they join.

Key Decisions and Actions to Make Early

- Verify correct emails for all members.
- Ensure every Scout under 18 has an associated parent's/guardian's email.
- Decide payment method:
 - Unit Pay: The unit pays for members' registrations in the month due.
 - Self Pay or Family Pay: Let members/parents manage renewals.
- Choose auto-renewal or manual approval.

Communication – early and as often as necessary

- Inform parents/members of decisions.
- Clarify steps for renewal.

Be prepared for:

- 3% credit/debit card fee.
- Adult registrations may be delayed for background checks.

Your Commissioners and Council are here to assist you!
