Unit Renewal is found in Organization Manager and available to Unit Key-3 members.

With the change in membership and renewal to a twelve-month cycle, effective March 1, 2024, new memberships will renew in the month they joined. Those available for renewal will get renewed from the last renewal date. This allows the unit renewal process to be streamlined and simplified. A member of the unit Key-3 can go online to My.Scouting and renew the unit each year within 10 minutes, assuming there are no validation errors (such as YPT training for your adult leaders).

As you prepare to renew your units keep these items in mind:

1. This process only renews the unit, not any of the members, which is a different process now based on the joining or last renewal date.
2. A unit only has a one month lapsed period after the unit expires (this is a change from two months).
3. It is recommended you pre-check if there any validation issues. The most common is Youth Protection Training (YPT) dates for adult leaders. Other validation checks are still performed such as correct leadership positions filled, number of youths, and YPT. Validation is done at the time you renew, if things change a day or so later, the validation will check.

Validation Codes in Unit Renewal:

- **Unit does not have required number of leadership positions** – Error.
- **Unit has no youth changes from previous charter** – Warning.
- **Leaders do not have current Youth Protection Training** – Error.
- **Leaders do not have completed CBC Authorizations** – Warning.
- **Leaders are less than 18 years old** – Error.
- **Youth do not meet the age/grade requirement for the program** – Warning.
- **Adults do not have SSN** – Warning.

4. Check your leadership positions and make sure you have the correct names in the correct positions, if not use “Position Manager” also found in Organization Manager to edit and wait overnight and then validate again.
5. Have a credit card handy to pay the Unit Recharter fee ($100.00).
In Organization Manager, a Unit Renewal tab will display. When selected, the validation process runs and will show any errors.

Each time you open the Unit Renewal tab, the validation check occurs. Once there are no validation errors, sign by entering your name approving the leadership for renewal and then click on the “Payment” button.

The payment page will process your unit renewal. Enter the credit card payment information.
As a unit, you will also have the option to store the credit card for next year if desired.

Click on Submit Payment and you are finished until next year.
You will see a recap of the fees and be prompted to “Go to Confirmation”.

You will next see the payment processing and confirmation page; at the same time, an email confirmation will be sent to the address you entered above. Your unit is now submitted for renewal and will be posted overnight.
You will also receive an e-mail receipt for the payment of the unit recharter fee.
