Unit Pay for Member Renewal

(Supporting Changes implemented March 1, 2024) May 10, 2024

Unit Pay for member renewal is found in the Organization Manager and Roster tools. The "Renew" feature displays on the roster header bar.

Units can renew their members if they choose. The system allows you to select all or specific individuals to renew. You can also do this multiple times during the month so if you leave someone off you can always renew their membership later.

NOTE: The renewal period for membership begins two months before the expiration date and extends into a two-month "lapsed" period after the expiration date.
