

KODIAK X

VENTURING LEADERSHIP COURSE

Kodiak X is a fun to run and do leadership challenge course for Kodiak graduates. Kodiak X is a weekend leadership challenge course run by a district or council. Each Kodiak graduate/Kodiak X participant will lead his or her team through a fun, creative leadership challenge on Saturday and then be given a chance to learn the art of critique and reflection. By the end of the fun weekend, participants will have received their final two commissions as well as a challenge to use their skills and to mentor younger, developing leaders.

A new *Kodiak X Syllabus*, No. 34106, will be available through the National Distribution Center in the fall of 2007.
