

Venturing Leaders,

I'd like to personally thank each of you for your patience while waiting for the Project Management training. The BSA does not own the content of the training, so the organization that wrote the training has asked us not to post it online. Although it can be shared through email, whoever receives it cannot post it online. Please feel free, however, to share it among your leadership teams.

If you don't have access to the training or don't know anyone who does, please feel free to reach out to member care at myscouting@scouting.org and they will be able to send you the training material.

Thank you again for your patience and all you do for the Venturing program.

Yours in Venturing,
