

Taking Youth Protection Training

Access the BSA's main website at <http://www.scouting.org/> and click on the **Youth Protection** link.

The screenshot shows the Boy Scouts of America website. At the top left is the BSA logo and the text "BOY SCOUTS OF AMERICA". To the right, there is a "LOG IN" section with a link "Need to Create a Log In? Start Here" and a search bar with "Search BSA" and a "SEARCH" button. Below this is a navigation menu with links: "En Español", "Home", "ScoutSource", "Media", "Donate", "Get Involved", "Shop", "Sponsors", "Youth Protection", and "MyScouting". A dark blue bar below the navigation menu contains the text "I am a" followed by buttons for "Youth", "Parent", "Volunteer", "Alumni", and "Visitor". A red hand cursor is pointing to the "Youth" button. Below the navigation bar is a large banner for the "TXTNG & DRIVING ... IT CAN WAIT" campaign. The banner features a circular graphic with a sign that says "TXTNG & DRIVING ... IT CAN WAIT" and logos for BSA and AT&T. The text on the banner reads: "The only patch you earn by not doing something." Below the banner, there is a BSA logo and the text: "When you earn this patch, you'll be helping to put an end to texting and driving. Go to our BSA It Can Wait app on Facebook, take the pledge, and then pass it on to your friends." To the right of this text is the AT&T logo and the slogan "Rethink Possible".

Q&A

On the page (<http://www.scouting.org/Training/YouthProtection.aspx>) you will find instructions for setting up an account at [MyScouting.org](http://myscouting.org) in a pane on the right side of the page and links to Youth Protection training for those involved in the Cub Scout, Boy Scout, and Venturing programs – as well as a Q&A section – on the left side of the page.

The topics of **Leadership Selection**, policies **Effective June 1, 2010**, **Barriers to Abuse Within Scouting**, **Digital Privacy**, and **The “three Rs” of Youth Protection** are addressed on this page, and there are also links to many **Key Resources** on topics ranging from state mandatory reporting policies to the current “Camp Leadership” document.

Click on the appropriate link (Cub/Boy/Venturing) and you will be taken to a page containing **The Guide to Safe Scouting**, a link to the Youth Protection training course, facilitator's guide, parents' guide, etc.

If you require assistance with system access (user name and password) or experience on-line training issues (training does not load or hangs), please contact Volunteer Support at 927-580-2489 or via email to myscouting@scouting.org.

If you have questions regarding any of the materials presented in the Youth Protection segment of Scouting.org, please contact us via e-mail to youth.protection@scouting.org.
